

**The Alliance for Oral Health Across Borders
Continuing Conversation Series Presents
Two Cutting Edge Webinars on Silver Diamine Fluoride**

Please join the Alliance for Oral Health Across Borders (AOHAB) “Continuing Conversation” series in collaboration with Penn Dental Medicine, Center for Integrative Global Oral Health for a comprehensive overview of current developments in the field. We will share with the global dental community two innovative cutting-edge webinars on Silver Diamine Fluoride (SDF).

Both webinars will be moderated by Yasmi O Crystal DMD, MSc, FAAPD Clinical Professor of Pediatric Dentistry, NYU College of Dentistry and feature speakers from several countries including the United States, Argentina, Australia, Hong Kong, Cambodia and others.

The first webinar, entitled **“SDF: The Science, Evolution, and Community Implications”** discusses how we must fully understand Silver Diamine Fluoride and embrace its usage. Researchers from around the globe will present the latest science of how SDF functions, the science behind SDF and examples of community implementation. This webinar will be presented live on Wednesday, May 4th, 2022 at 9am – 10:15am Eastern Standard time.

The second webinar, entitled **“SDF: Challenges Around the Globe – Are Other Options Available?”**, reviews the many challenges around the world with SDF, how to overcome them, and other products available now or in development. This webinar will be presented live on Wednesday, May 18th, 2022 at 9am – 10:15am Eastern Standard time.

“Now that Silver Diamine Fluoride is named by WHO on its list of essential medicines, understanding this topic in depth, is vital for the global dental community.” says Dr. Deborah Weisfuse, President of the Alliance for Oral Health Across Borders.
